Birgitta has extensive experience in museums and galleries and has broad knowledge in exhibition administration and design.

11 AM ARTIST MEET & GREET

Hear from Little Gallery Emerging Artist Laura Purcell about her exhibition *Meet Me Here*. The exhibition is a poetic observation of life's tidal rhythms - possibilities are reimagined and infused, blurring boundaries between land and sea, and domestic objectives with rituals of leisure. Laura Purcell creates a contemporary visual narrative inspired by the sisters Annie, Elsie and Christina, related to the gallery's Moon Collection, the coastline, and artist's reflection.
